St. Regis Summer Rituals

Partake in our Daily Traditions

A born inventor and change maker, in 1904 John Jacob Astor IV founded The St. Regis New York as a place to pursue his passions in the company of the city's luminaries.

More than a century later, the St. Regis welcomes guests to experience our exclusive rituals designed to honor the Astor legacy.

Coffee & Tea

Complimentary each day 7:00 AM - 11:00 AM

Start your day with a morning ritual. Each day in our lobby enjoy locally sourced coffee and tea options by Rock Canyon Coffee and Two Leaves & a Bud Tea.

Infused Waters

Complimentary each day 12:00 PM - 3:00 PM

Rehydrate from your Aspen activities with a rotating offering of chilled fruit & herb infused waters in our lobby.

Bloody Mary Tasting

Complimentary tastings offered each day at 11:15 AM in Mountain Social

The Bloody Mary was originally created in 1934 at the St. Regis New York's King Cole Bar. Each St. Regis nods to the classic cocktail with their own unique rendition.

Afternoon Tea

3:00 PM - 5:00 PM; reservations are required 24-hours in advance

A delicate and delicious tradition carried on from the early 1900's by our founder's mother, Lady Catherine Astor.

Champagne Sabering

Complimentary each day at 5:15 PM in the Fountain Courtyard

Every evening we celebrate the transition from day to night by sabering a bottle of champagne and raising a glass in honor of our founder, John Jacob Astor IV.

S'mores by the Fountain Courtyard Fire
