# St. Regis Summer Rituals

*Partake in our Daily Traditions*

A born inventor and change maker, in 1904 John Jacob Astor IV founded The St. Regis New York as a place to pursue his passions in the company of the city's luminaries.

More than a century later, the St. Regis welcomes guests to experience our exclusive rituals designed to honor the Astor legacy.

Table 81 is a marquee 4-top table in Velvet Buck, where 81% of the table's check goes directly to a local Aspen organization.

In **July**, we are honoring the **Aspen Music Festival and School**.

The number 81 nods to the year 1881 when the town of Aspen was officially incorporated. While Aspen has seen many economic peaks and valleys, the dedication and innovation of the local community has been steadfast.

Velvet Buck at The St. Regis Aspen Resort seeks to support those organizations that continue to pave the way for Aspen's community and has created Table 81 to champion for their efforts.

Reservations can be made by calling t. +1 970 429 9644 and mentioning Table 81 or by visiting Open Table and mentioning Table 81 in the comments.

The 81% includes food and beverage but is before tax and gratuity. We kindly ask patrons look after their server and tip on the full amount of their bill.
